SuOn Academy

# About Us.

SuOn Academy, established in 2009 and accredited by the Ontario Ministry of Education (BSID: 667183), is a premier boarding high school located in Toronto, Ontario, Canada. The academy offers a comprehensive curriculum for grades 9 to 12, equivalent to the third year of middle school through to the third year of high school in China. Graduates of SuOn Academy receive the Ontario Secondary School Diploma (OSSD), a qualification that is internationally recognized and highly regarded. This credential significantly enhances their prospects for admission to prestigious universities worldwide, opening doors to numerous academic opportunities. With Ontario student status, SuOn graduates have successfully gained entry to top universities in Canada, the US, the UK, Australia, Hong Kong, Singapore, and more. Remarkably, SuOn maintains a 100% university acceptance rate, with 85% of its students securing admission to world-class universities. This includes consistently high acceptance rates into the University of Toronto, ranked 16th globally by U.S. News in 2025.

Located in Toronto—Canada’s largest city and the third-largest in North America—SuOn Academy benefits from its vibrant, safe, and culturally diverse environment. Toronto is renowned for its world-class education system, numerous employment opportunities, and has been consistently ranked by the UN as one of the "Top Ten Most Livable Cities in the World." Canada is also home to some of the world’s top universities, including the University of Toronto, McGill University, and the University of British Columbia, making it an ideal destination for international students seeking an enriching Western educational experience.

## Educational Philosophy:

### Total Care

At SuOn, we provide a nurturing environment where you can feel at home while studying abroad!

### Academic Excellence

Set your sights on top-tier universities and prestigious programs to maximize your potential!

### Independence

Cultivate self-reliance, motivation, and discipline as you embark on your educational journey!

### Global Citizenship

Embrace a multicultural environment that allows you to shine on the global stage!

At SuOn Academy, education is not just about the acquisition of knowledge and skills; it is about respect, dignity, compassion and a belief in yourself and others.

As your Principal, I will support and guide you in your personal and academic challenges. We welcome your energy and talents to our school community.

Principal  
Ian Botnick

# A Golden Gateway to World-Class Universities

## Our Goal: Admission to World-Class Universities

- SuOn students consistently achieve a 100% university acceptance rate, with 85% gaining entry to world-class institutions.
- Our strong focus on STEM education results in 80% of graduates receiving offers from STEM-related fields, such as engineering, mathematics, and computer science, as well as top business programs.
- By earning the Ontario Secondary School Diploma (OSSD), students apply to universities with local Ontario student status, significantly boosting their chances of acceptance into top programs compared to international applicants.

## Rewarding Excellence: Scholarships for Top University Admissions

- SuOn offers a 100,000 RMB scholarship to students who are accepted into universities ranked among the top ten globally by U.S. News.

# Admission Introduction

---

## Admission Process

1

To apply, complete the application form, submit transcripts stamped with the school seal, and provide two passport-sized photos. Depending on the evaluation process, students may also need to undergo a transcript review, interview, or written test.

2

Upon a successful application, SuOn Academy will issue a pre-admission notice. This document can be used to complete the payment process at the student's local bank. After payment is confirmed, SuOn Academy will issue the official admission letter, at which point parents should begin preparing the necessary visa documents.

3

Once the visa is approved, students can book their flight and pack for their studies. SuOn staff will greet the students upon arrival at the airport, ensuring a smooth transition as they begin their studies at the Academy.
